

Christmas with Pewdiepie

By Victor & Filip

Once upon a time there was a guy and his name was Felix. And someone called him Pewdiepie like 10000000000000000000000000000000 other people. It is December 22nd and Pewdiepie played a game on his computer. He played a game called Five Nights at Freddy's.

``AAAAAAAAAAAAAAAAHHHHHHHHHHHH HELP ME NOW.
WHAT THE ... THIS GAME IS SO SCARY...``
``AAAAAAAAAAAAAAAAAAAAAAAAHHHHH``.

Yes, it usually sounds like that when he plays scary or really difficult games. The next day he and Cutediepie, Felix's girlfriend, went shopping. They are shopping Christmas decorations. Tomorrow it is Christmas day.

It is Christmas day today. Edgard, Pewdiepie's dog, got a dog toy and it looked like a Christmas tree. Cutediepie got a makeup kit from Pewdiepie. Maya, Cutediepie's dog, got a 2 kg bag of dog candy and Pewdiepie got a new computer.
